

# Dr. Brown's Supply List for Students

Students should always be prepared for class. Having the necessary materials will help in making your child successful in math this school year and throughout all of his/her schooling. If I teach your child Math and Social Science, then he/she should have the supplies listed for both subjects. For example, your child will need 8 composition books and 2 hand sanitizers.

7 <sup>th</sup> Grade Math	8 <sup>th</sup> Grade Math	7 <sup>th</sup> Grade Social Science
